

About The Institute

Kasegaon Education Society's, Rajarambapu Institute of Technology has been established in 1983 with a mission to create techno excellent citizen through academic excellence. R.I.T. is situated in Sakharale, which is 2 km away from Islampur city and 4 km away from Pune-Bangalore Highway (NH4), is spread over an area of 16 hectares of picturesque beauty. It boasts of extending the best learning & training facility in this part of India.

Within a span of two decades the Institute has developed excellent infrastructure facility and a conducive atmosphere for the student and staff to convert thoughts and ideas into reality through experimentation and scale new heights in the field of technical education.

- An 'A' Grade Institute declared by State Government
 - The first un-aided Institute in University area having got accredited its programmes from NBA set up by AICTE, New Delhi.
 - Selected as a Network Institution in the first phase of TEQIP, MHRD, New Delhi and also in TEQIP Phase II under 1.2.
 - Programmes accredited by the Institute of Engineers (India), Kolkata.
- The institute presently offers Seven UG and Ten PG courses in various engineering discipline.

PATRON

- Dr. Mrs S. S. Kulkarni ,Principal

CONVENOR

- Prof.S.A.Thorat (Head IT Department)
- Prof.S.S.Patil (Head CSE Department)

COURSE COORDINATOR

- Prof. D.T. Mane, Asst. Professor IT Department
M-: 9970700871
Email -: dadaso.mane@ritindia.edu
- Prof. A. C. Adamuthe, Asst. Professor CSE Department
M-:9860015683
Email -: amol.adamuthe@ritindia.edu

ORGANIZING COMMITTEE

- Prof. S.S.Sawant
- Prof. P. Sathishkumar
- Prof. D. N. Babu
- Prof. Ajit Patil

RESOURCE PERSON

RAMKRISHNA M. is working as Assistant Professor in Department of Information & Communication Technology MIT, Manipal University. He has vast experience in NS2 simulations. He has been resource person for workshops on NS2 in various institutes.

ADDRESS FOR CORRENPDANCE

Prof. D. T. Mane, Assistant Prof.
Information Technology Department,
Rajarambapu Institute of Technology
Rajaramnagar(Islampur), Post-Sakhrale
Dist. -Sangli, 415 414
Ph. 02342-220329, Fax- 02342-220989
(M) 09970700871

About The Workshop

The objective of this workshop is to train the faculties, Students and Researchers from various institutes on the Network Simulator (NS2). The workshop also aims to strengthen the Research culture and aware new technologies to faculties, Students in Department of CSE, IT and ENTC.

Prerequisite:

Basic understanding of Computer Networks and Linux operating system. This workshop includes Practical sessions on NS2:

Day I:

- NS-2 Installation and Configuration.
- NS-2 Components, Simulation of various protocols.
- TCP, UDP applications, Network layer protocols.
- Post processing methods, Trace file analysis.

Day II:

- AD-HOC Networks, AODV, DSDV, DSR.
- Ad-hoc routing protocols comparison, Graph tools.
- Wireless simulation.
- Modifying existing protocols.
- Implementing new protocol.

ELIGIBILITY:

The Participants shall be the faculties, Students and Researchers from various engineering/polytechnic colleges.

COURSE FEE:

Registration fee:

For Faculty : Rs.500/-

For Students: Rs. 200/-

Registration fee includes lunch and course material.

No fees for Lead College Participants. Faculty should bring the letter from institute duly signed by the Principal.

REGISTRATION:

Interested participants should send their application in the enclosed proforma duly recommended by the head of the institute along with the prescribed course fee in the form of CASH/DD in favour of the "Principal RIT" payable at SBI, Islampur (Branch code-0534), Tal. Walwa, Dist. Sangli.

IMPORTANT DATES:

Last date for submission of the application forms is **19th November, 2011.**

Registration will be confirmed on FCFS basis.
