

**Report
On
One Day Faculty Development Program on “Preparing for Revised NBA
Accreditation Framework”**

IQAC, RIT organized a One Day Faculty Development Program on “Preparing for Revised NBA Accreditation Framework” under the Lead College Scheme of Shivaji University, Kolhapur on 25th February 2026 at the institute.

The primary objective of the program was to create awareness among faculty members regarding the Revised NBA Accreditation Framework and to enhance their understanding of Outcome-Based Education (OBE) practices including curriculum design, teaching-learning processes, and outcome-based assessment. The program aimed to strengthen the preparedness of faculty members for the NBA accreditation process and to guide them in implementing outcome-based practices effectively in their academic activities.

**Inauguration Function of One Day Faculty Development Program on
Preparing for Revised NBA Accreditation Framework**

The first session delivered by Dr. Satyajit R. Patil covered “Revised NBA Accreditation Framework and the structure of the SAR”. The second session delivered by Dr. P. D. Kumbhar focused on “Outcome-Based Curriculum”. After lunch, Dr. M. S. Patil delivered session “Outcome-Based Teaching-Learning”, followed by Dr. P. J. Kulkarni, who explained “Outcome-Based Assessment”.

A total of **61 participants**, including **22 in-house faculty members** and **39 faculty members from other colleges**, attended the program.

Feedback analysis is presented in the **Table 1**.

Table 1 Feedback Analysis

Sr. No	Criteria and satisfaction level	Poor	Fair	Satisfactory	Good	Excellent
1	The objective of the seminar was clearly defined				8%	92%
2	The seminar was helpful to me to get insight on the topic "Preparing for revised NBA Accreditation Framework"				10%	90%
3	Session-I Revised NBA Accreditation framework			1%	3%	96%
4	Session-II Outcome- based Curriculum			3%	5%	92%
5	Session-III Outcome- based Teaching-Learning			2%	8%	90%
6	Session-IV Outcome- based Assessment			1%	10%	89%
7	overall Feedback of seminar				4%	96%

Finally, the seminar was concluded with QA session and feedback from the participants.

ABOUT THE INSTITUTE

Kasegaon Education Society's Rajarambapu Institute of Technology (RIT) was established in 1983 with a mission to create techno excellent citizen through academic excellence. The institute is located in Sangli District of Maharashtra State at Rajaramnagar. The institute presently offers 11 UG, 9 PG and 6 Doctoral programs in various engineering disciplines. The institute has continuous interaction with Industry through in-plant training and live industry-based projects. The institute has been part of World Bank Project and received the funding under 'Technical Education Quality Improvement Program' (TEQIP I & II) for strengthening and research.

SALIENT FEATURES

- An Empowered Autonomous Institute affiliated to Shivaji University, Kolhapur and implemented choice-based curriculum structure (CBCS).
- The Institute is accredited by NAAC with 'A+' Grade
- Selected in the first and second phase of TEQIP, MHRD, World Bank Project, New Delhi.
- Institute has active R&D Cell to promote research activities. Institute received research funds from various funding agencies like AICTE, RGSTC, PMYUVA/NIESBUD. Institute is recognized as host for Incubation Centre by MSME.
- Institute has "Pradhan Mantri Kaushal Vikas Yojana" to enable and mobilize a large number of Indian youth to take up skill training and become employable and earn their livelihood.
- Institute has been awarded as "Most Innovative Brand" in
- Institute has "Industry-Institute Interaction (III) cell for continuous interaction between academia and industry so as to provide a platform for both the students as well as faculty members to be aware of industry expectations of skill sets required for students.
- Institute has established RIT-TBI cell with vision to transform engineering campuses into ESDM Product Innovation Centers (EPIC) through Industry Partnerships.
- NETRARIT Foundation RIT-TBI (NRiT), is an incubator supported by grants from Maharashtra State Innovation Society and DST, NIDHI i-TBI.
- 52+ startups have collectively raised more than Rs 3 Crore through various government scheme like Nidhi Prayas, Nidhi EIR, RGSTC, DST, Ideathons, Hackathons, AICTE Samruddhi, Institutional SEED Funding etc.

OBJECTIVES OF THE PROGRAM	DELIVERABLES	BANK DETAILS
<ul style="list-style-type: none"> ■ To introduce the revised NBA SAR to the participants. ■ To equip the participants with the knowledge of pre-qualifiers and the revised NBA accreditation framework. ■ To promote a framework for self-assessment and quality enhancement. ■ To encourage for setting the benchmark and standards in engineering. To emphasize the OBE approach and its nuances to obtain the NBA accreditation for the program. 	<ul style="list-style-type: none"> ■ Awareness about the changes in the NBA SAR criteria. ■ Assessment of the program eligibility for NBA Accreditation. ■ An OBE implementation approach as a part of readiness towards NBA Accreditation process. 	<p>Account Name: KES RAJARAMBAPU INSTITUTE OF TECH UG</p> <p>Account Number: 50100190482387</p> <p>IFSC Number: HDFC0002455</p> <p>Bank Name: HDFC Bank</p> <p>UPI payment Mode UPI ID: vyapar.171813435218@hdfcbank</p>  <p>QR for Payment</p> <p>Registration link https://forms.gle/5Eu2Bns9Lh8icWy99</p> <p>QR for Registration</p> 
ABSTRACT OF PROGRAM	TENTATIVE PROGRAM SCHEDULE	
<p>On the backdrop of the revised NBA undergraduate SAR (Self-Assessment report) since July 2024, it is important that the academic leaders note the change of approach and requirements of the NBA to successfully navigate through the NBA accreditation exercise of a program. The accreditation process involves evaluating engineering programs based on defined norms, covering aspects such as institutional missions, organization and governance, infrastructure facilities, quality of teaching and learning, curriculum design, and support services. This FDP aims to bring awareness among the participants about the changes in SAR criteria, the overall framework, pre-qualifiers for NBA accreditation, and emphasis on OBE implementation. The sessions shall orient the participants through the major changes of the nine-criteria SAR. After completion of the FDP, it is expected that the participants will be equipped with sufficient knowledge of NBA accreditation framework and its requirements to be able to contribute towards the program/institute preparation for the NBA accreditation. The sessions will be engaged by the experienced faculty members from RIT who are experienced in NBA cycles.</p>	<p>Inauguration 10:00 AM to 10:30 AM - Inauguration Chief Guest : Dr. P. V.
