Message from Directors Desk

Dr.P. V. Kadole, Director, RIT

Over more than three decades, RIT has created an enviable image among engineering institutes in India. RIT focuses on policy of imparting quality education to students through involvement & empowerment of our faculty with the ultimate aim of student satisfaction. Institute is successfully running academic autonomy awarded by UGC and Shivaji University, Kolhapur.

We have introduced choice based curriculum structure (CBCS), Honors and minor scheme, Innovative teaching – learning tools like PBL, Flipped Class room, etc. In RIT, there is lot of emphasis on use of ICT tools to improve quality of education. We have specially designed four choice based verticals in final 8th semester. The students can choose any one vertical i.e. Entrepreneurship development Research experience, Industry Internship and Capstone project as per their future plans. Our students have continuous interaction with Industry through in-plant training, internships and industry based live projects

Our most of the programs are accredited and reaccredited by NBA, New Delhi and we are NAAC accredited with 'A+' Grade.

Message from HOD's Desk

Dr. Krishnaji Patil, HOD, DMS, RIT

Envisaging the increasing need for imparting quality management education and research, RIT-MBA was started in 1994. Since its inception, the department has churned out innumerable bright and dynamic managers who are currently holding prestigious positions in reputed business organizations across the globe. Since then dedicated efforts were made to achieve excellence in all the fields.

The department focuses its resources exclusively on the emerging managers of tomorrow. An ever-evolving curriculum, nurtured through superior industry- institute interaction keeps students up-to-date on the latest corporate trends. We impart indepth knowledge with an objective to create and equip prospective managers with leadership skills, lateral thinking and critical evaluation abilities, thus abetting successful entrepreneurs and corporate heads of tomorrow. The department is consistently ranked amongst the top 25 B- schools in the country since last two years. The academics is a veritable treasure of learning and erudition. With a sophisticated lineage of consultancy and research behind them, this the department is geared for grooming raw talents into performing prodigies.

We believe that our students are hardworking and ready to learn, which may prove to be an asset to any organization they will work with.

We are happy to assure you that our students are though from rural background but may beat other students in sincerity, honesty, and commitment. Our students are able to hone their skills in 8 specializations that we offer.

Dr. Arun Kumar, Vice-Chancellor

Finance is the driving force behind an organization. It gives essential support to each and every business activity. Efficient use of financial resources is an important function of financial management, as knowledge of core activities is also required in a financial environment. Finance also plays a vital role in moving an organization forward. All big corporations like Reliance, SBI, Indian Oil Corporation, Bharat Heavy Electricals and Infosys etc. achieved good growth because of managing finance in right way, they understood the importance of finance and effective utilization of its tools for both in capital and cash management.

Finance Club is specially formed by the students for the students of M.B.A. who are interested in financial and economic activity, which is carried out through business organization in an economy. Finance club is providing the platform for the students who want to share their knowledge of finance with their friends and creating awareness among them about financial affairs and its importance. Finance Club is not just for students majoring in finance, students specializing in non-finance can actively participate in all activities of this club.
