HOD Remark:

We have conducted the reading club activity successfully in our department. As per the notification from Central Library, we had formed five groups of faculty and non-teaching staff members. Each group had selected one book from the library. Each group reads their selected book and conducts regular discussions among the group. Also conducted knowledge-sharing discussions in the department meetings.

Finally, they presented the review of the selected book at the department level. This activity helped to develop reading habits, inspirational thoughts, new approach and motivation towards work, positive attitude etc. among the faculties and staff.
