A group of students in dark blue suits and ties are walking down a set of stairs. They are smiling and looking towards the camera. The background shows a modern building with large windows and a sign that says "THE GIFT OF KNOWLEDGE".

**Learn.
Lead.
Succeed.**

Kasegaon Education Society's
RAJARAMBAPU INSTITUTE OF TECHNOLOGY
An Empowered Autonomous Institute

DEPARTMENT OF MANAGEMENT STUDIES (MBA)

KASEGAON EDUCATION SOCIETY

Kasegaon Education Society is one of the leading educational organisations in the Western Maharashtra. It was established in 1945 by Late Shri. Rajarambapu Patil, the leading statesman. Considering the need of time, the Society focused its attention on taking the education to the threshold of the rural masses. The Society has started schools in the nearby villages and a hostel for backward class students in Kasegaon. After untimely and sad demise of Shri. Rajarambapu Patil in 1984, it was Shri. Jayant Patil, his son, who alike his father entered in public life through educational activities. He shouldered the responsibility of Kasegaon Education Society. Shri Jayant Patil's directives are taking the Society with time and diversifying its educational facilities.

Today the Society has 31 primary & secondary schools and 15 higher educational institutes under its roof. This includes mainly three Arts, Commerce & Science colleges, two Information Technology Institutes, an Engineering College, two Polytechnics, two Management Institutes, a Nursing Institute, an Agricultural Polytechnic, a Pharmacy College and an International School. The Society is conferred with prestigious awards like 'Dr. Babasaheb Ambedkar Dalitmitra Puraskar' and 'State Award for Educational Institutes'. Certificates of appreciation are awarded to the Society by C-DAC & MKCL for its exemplary contribution towards computer literacy in the rural masses. Rajarambapu Institute of Technology established in 1983 has proved to be a landmark development of the Society as well as an instrument for expanse of its horizon.

Organization Structure

Message from the Director

Welcome to the RIT – Department of Management Studies!

We are happy that you are considering our MBA program to shape your future. At RIT, we focus on building not just careers, but confident and responsible leaders for tomorrow's world.

We are proud to share that **Rajarambapu Institute of Technology** has been ranked **12th in the Global Human Resource Development Centre's prestigious B-School rankings** and **8th in Maharashtra in 2024**. Also, our institute has been honoured with the **Top Prominent B-School of India Award in both 2023 and 2024**. These recognitions reflect our commitment to excellence in education.

Our MBA program is approved by AICTE and affiliated with Shivaji University, Kolhapur. We offer a wide range of specializations including Marketing, Finance, HR, Business Analytics, International Business, Entrepreneurship and more. We also offer an MBA (Collaboration and Twinning) through tie-ups with top universities in the USA, France, Germany, UK and Australia.

Our experienced faculty, modern infrastructure, and strong industry connections help students gain the knowledge and skills needed to succeed in today's competitive world. Our placement record speaks for itself, with over 100 recruiters visiting every year and many of our alumni working in top MNCs.

We also offer certification courses, industrial visits, international exposure, and various student clubs to help you learn beyond the classroom.

Join us and take the first step toward a bright and meaningful future.

Warm regards,

Dr. P.V. Kadole

Director, Rajarambapu Institute of Technology

From the Desk of HOD

Dear Students,

Welcome to the Department of Management Studies (MBA) at RIT. We are happy that you are considering joining our institute to build a successful career in management.

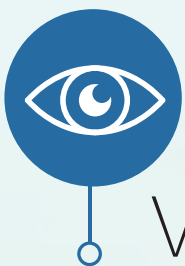

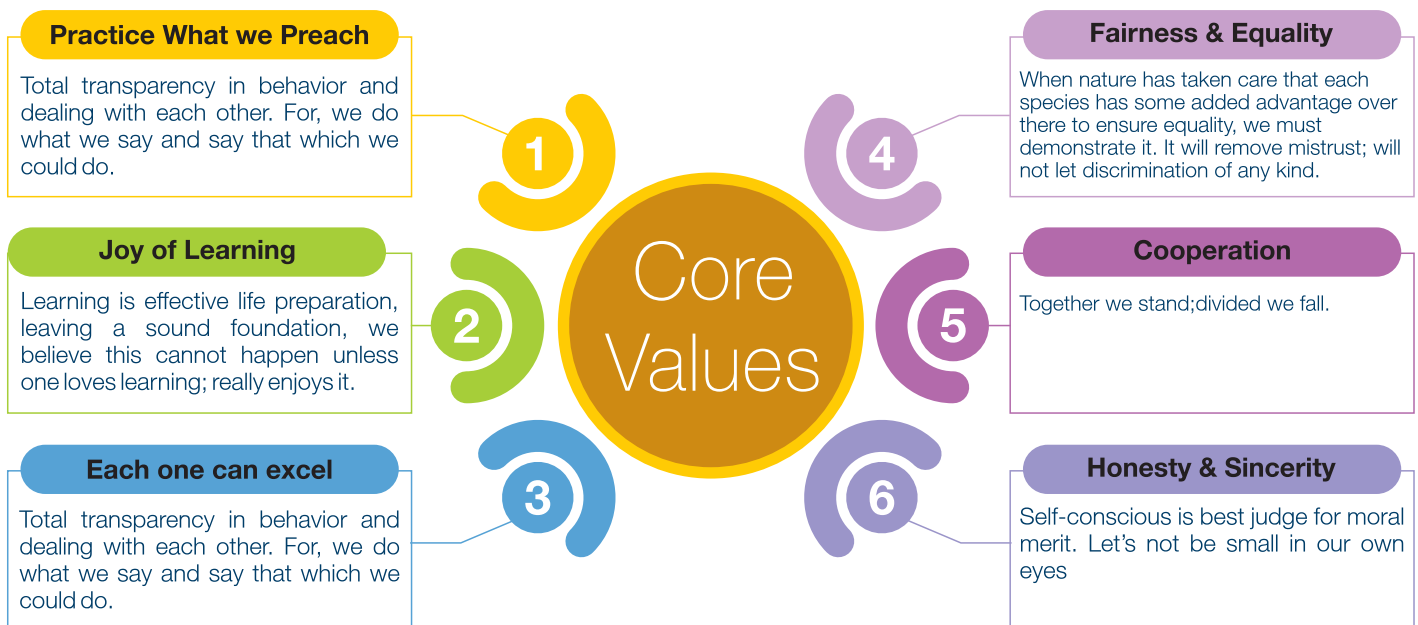

At RIT, we focus on overall development—academic knowledge, practical skills, industry exposure, and personality development. Our experienced faculty, well-designed curriculum, and strong industry connections help students get ready for future challenges in the business world.

We encourage creativity, critical thinking, and leadership through various activities, projects, and events. Our goal is to develop professionals who are responsible, capable, and confident to lead in any field they choose.

We look forward to guiding and supporting you in this exciting journey of learning and growth.

Best wishes,

Dr. Krishnaji Sarjerao Patil
Head of Department, MBA
Rajarambapu Institute of Technology

Vision

Achieving excellence in academics and research to develop globally competent and socially responsible managers.

About MBA Department

The Department of Management Studies was set up as a Department in 1994 by Rajarambapu Institute of Technology. The department provides education, training, consulting, and conducts research in management. The MBA Program (Regular and Collaboration & Twinning) under autonomous RIT is designed as one of the most exhaustive program that equip budding managers, with advanced skills required to make data-driven decisions in today's dynamic business landscape. It is a career-enriching programme that provides rigorous theoretical and practical training in all the specialized fields. The critical aspects of the programme are well qualified and experienced faculty, world-class campus facilities and industry connect, who bring the latest research, best practices and domain knowledge to the diverse mix of students. Continuing our commitment to provide the best education to our students' and to prepare them for the industry we have recently included specializations like Business Analytics that cover recent advances in analytics and its applications in a business domain. Since its inception. It continues to be among the best institutions and most preferred one in the management institute in Maharashtra.

MBA: Twinning & Collaboration Program

Rajarambapu Institute of Technology (RIT) proudly offers AICTE-approved Twinning and Collaborative MBA Programs in association with prestigious foreign universities from across the globe.

These programs are designed to deliver a truly global learning experience that sharpens both academic insight and professional competence through immersive international exposure.

Program Overview

Our postgraduate twinning programs follow a 1+1 model:

- Year 1: Study at RIT, Islampur – build foundational knowledge and skills.
- Year 2: Study at a partner university abroad – gain advanced knowledge, global exposure, and hands-on industry experience.

This innovative format empowers students to develop a truly international outlook, equipping them for leadership roles in the global marketplace.

Program at Glance

The MBA programme curriculum of the RIT DMS was revised in the June 2024 by considering view of the dynamism in the industry practices, evolution in technology and the evolving expectations of key stakeholder's viz. students, the industry and faculty members at large.

The New Curriculum intends to add immense value to all stakeholders by effectively addressing their requirements in more than one way by :

- ◆ Adoption of Choice Based Credit System (CBCS)
- ◆ Providing the flexibility to individuals.
- ◆ Emphasizing the teacher-student relationship in the learning process.
- ◆ Continuous evaluation throughout the programme.
- ◆ Empowering the students by providing Generic Core, Subject Core, Major Elective and Minor Elective Courses
- ◆ Supplementing traditional classroom teaching / learning with focus on group activity, field work, experiential learning, self-study, projects, Industry Internship project, Entrepreneurship projects.etc.
- ◆ Incorporating Three Major specializations such as Marketing Management, Human Resource Management & Financial Management. And seven minor specializations viz. System Management Rural Management, Operations Management, Business Analytics, International Business, Technology Management thereby providing wider choice to the students.
- ◆ A thorough revamp of Specializations & contents, Department will meet the Industry expectations.
- ◆ Providing opportunity to students to choose courses from three tracks, viz Regular courses, Industry Internship & Projects& entrepreneurship development.
- ◆ The Programme comprises of 4 Semesters and adopts the Choice Based Credit System (CBCS)
- ◆ Choice Based Credit System (CBCS) offers wide ranging choice for students to opt for courses based on their aptitude and their career goals.
- ◆ The number of credits (96) earned by the student reflects the knowledge or skill acquired him / her. Each course is assigned a fixed number of credits based on the contents to be learned & the expected effort of the student.

An academic year is divided into two terms

Term I shall have SEM I and III, whereas Term II shall have SEM II and IV. Each semester, courses are offered 14 teaching weeks. For students, first year has 51 working hours & for Second year 52 working hours per week. Total 1484 contact hours will be spread over two years. CBCS shall ensure that students enhance their skills.

Core Courses:

The Curriculum comprises of Core Courses and Elective Courses. Core courses are the foundation courses of management education. They are compulsory for all the students. Core courses are of two types: Subject Core & Soft Core. Skill Development Course and Bajaj Finserv courses are also implemented for developing communication and financial analytical skills.

Programme Educational Objectives

PEO 1	To inculcate lifelong learning for applying the core aspects of business administration in a dynamic business world.
PEO 2	To pursue successful career in various industries, service sector, market research and entrepreneurship
PEO 3	To develop the ability to take a holistic approach to think strategically and to lead, motivate and manage teams, thereby enhancing managerial effectiveness.

Programme Outcomes

PO1	Apply knowledge of management theories and practices to solve business problems.
PO2	Foster Analytical and critical thinking abilities for data-based decision making.
PO3	Ability to develop Value-based Leadership ability.
PO4	Ability to understand, analyze and communicate global, economic, legal, and ethical aspects of business.
PO5	Ability to lead themselves and others in the achievement of organizational goals, contributing effectively to a team environment.
PO6	Be capable of self-education and clearly understand the value of lifelong learning.
PO7	Be familiar with modern statistical and software tools to analyze business problems.
PO8	To examine critically for self-assessment and take corrective measures accordingly without external feedback.

Training and Placement Cell

The Training and Placement Cell of Department of Management Studies (MBA), Rajarambapu Institute of Technology, Rajaramnagar handles campus placement of M.B.A graduating students. The Placement Cell provides complete support to the visiting companies at every stage of placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirement of the visiting companies. The Cell has modern infrastructure facilities for receiving various companies in the campus. The department is geared up to provide its quality services not only in employment to students during studies, but also their employability through well planned and organized training and personality development programmes and their development to face the corporate world. The cell also organizes seminars, group discussions, and mock interviews as a part of career guidance and personality development. It gives us immense pleasure to see our students scaling new heights in their career, the advent of which is through Campus recruitment. The Team Placement works day in and day out to ensure that the best of the corporate visit us to recruit our students and thus ensure that a right foundation is given to the students.

Placement Highlights

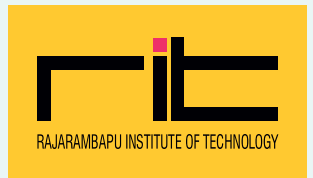

- 90% Plus Placements for last 3 Years
- More than 100 Companies offered.
- 1000+ Students placed till date
- Average Package for 2023-25: Rs. 3,90,000
- Highest Package for 2023-25: Rs. 10,00,000

Industry Internship & Project (IIP)

Internship is designed to expand the depth and breadth of academic learning of students in their particular areas of study. It is an opportunity for students to receive experience in applying theories learned in the classroom to specific experiences in the community and work world. During this Internship it is expected that students should identify the problems arising in the industry related to Management and they have to give the solution to the company. Students are expected to do internship for 20 weeks.

Recruiting Companies

& more....

Office of International Relations and Education

RIT actively encourages students to pursue higher education by facilitating their preparation for global challenges through recognized foreign universities. To achieve this goal, RIT initiated on-campus coaching classes for exams like GRE, TOEFL, IELTS, and GMAT, as well as courses in German and Japanese languages started in 2015. Over 119 students have successfully secured admissions in foreign universities, with 70 students achieved proficiency at A1 level in German. Additionally, more than 72 awareness programs have been conducted since 2015, featuring distinguished guests from the USA, Germany, Japan, and organizations like DAAD. RIT has also established 20 memoranda of understanding with prestigious foreign universities to further enhance educational opportunities for its students.

Activities Of Office Of International Relations And Education

- RIT Global Cell organized the Global Education Fair 2K24, attracting participation from 26 foreign universities. The event saw over 1400 students in attendance.
- RIT Global Cell hosted an Exclusive Education Fair focused on studying in France, with participation from 9 foreign universities. The event drew over 400 students.
- RIT has established Nodal centre for IELTS training.
- Eleven students have engaged in a semester-long student exchange program at the National University of Kaohsiung in Taiwan.
- Eighteen students visited Asia University and attended two weeks program on Artificial Intelligence.
- Three students got selected for internship in University of Poznan, Poland and three students in Ural Federal University, Russia
- A student of Mechanical Engineering department is selected for internship in University of Nevada, USA
- Two students of Computer Engineering are selected for Internship Program at University of Nottingham, Malaysia.
- Three students completed fully funded six months internship under TEEP program at Chang Gung University, Taiwan and National Changhua University of Education, Taiwan
- A student of Mechanical Engineering department is admitted to Doctoral Program in Power Mechanical Engineering in National Tsing Hua University, Taiwan.
- Three students completed virtual internship program offered by GEDC by American University of Sharjah and University of Virginia, USA.
- Collaboration with Southern University, USA and Asia University, Taiwan for academic programs.

Student Innovation Entrepreneurship Council

In last few years, India has seen phenomenal economic rise and also proven its dominance in the technology related fields on the global scale. In response to this, RIT has initiated setting up **Student Innovation Entrepreneurship Council (SIES)**.

SIES provides an ecosystem for early stage techno-startups, which contributes to social and strategic sectors besides being responsible for generating employments and economic value. This mechanism helps our students, faculty and community in our proximity to turn their entrepreneurial vision into reality through an incubation experience. **SIES** fosters innovation driven entrepreneurship. through incubation by utilizing IT's existing physical infrastructure and expertise for training, idea generation, prototype development, preparing business plan and model helping disruptive innovations and aspiring entrepreneurs succeed commercially. With this belief the **SIES-Entrepreneurship Cell**, targets to help in the development of RIT's entrepreneurial ecosystem by enabling easy and efficient interaction between its major components spanning students, working professionals, aspiring and existing entrepreneurs, mentors, angel investors, venture capital firms and corporate through initiatives like interactive sessions, competitions, conferences. Objectives : **SIES** should be able to,

01

Work on R & D for Industry mainly for local small and medium enterprises.

03

Promote culture of IPR, Technology Transfer & Commercialization.

05

Interfacing and networking between Academic, R&D institutions, Industries and Financial Institutions.

02

Address local problems & find innovative and viable solutions.

04

Nurture and promote creative ideas for its conversion into successful products & Technologies.

06

Create new techno-start ups.

Programs Organized by the Department

Sr. No.	The Theme of Conference/Conclave
1	Organized Faculty Development Program on Effective Capstone Project Implementation to Enhance Students' Exposure on 25th November 2024

Examination Center And It's Activities

Sections In Exam Centre And Functions

The entire Examination Center is divided into six different sections. The functioning of these sections is as follows:

- i. Examination Related Appointments
- ii. Question Paper Scrutiny and Printing
- iii. Preparation for and conduct of examinations
- iv. Assessment
- V. Result Processing Unit (RPU)

Conducting Examinations

After collecting the necessary information about the details of the students and courses taught by the departments, the UT1, UT2 and End Semester Examinations (ESE) are conducted centrally by the examination center.

Answer Book Showing Activity

Once the results are approved by the Examination Committee (EC) and published on RIT website the answer books are shown to the students. The answer book showing activity is one of the important activities of the Examination Center which indicates transparency in the work of assessment.

GRADUATION CERMONY

1st Graduaton Ceremony Nov. 2013

The Chief Guest for the Graduation Ceremony was Padmbhushan Hon. Ratan Tata. The function was presided by Hon. Jayant Patil, MLA & Former Minister of Rural Development, Govt. of Maharashtra, Shri. R. D. Sawant, Secretary, Kasegaon Education Society and Member of the BOG and Dr. Mrs. Sushma Kulkarni, Director of RIT.

ISTD Chapter

The Indian Society for Training & Development (ISTD- Islampur Chapter), established on 17th January 1997, is a national level professional & non-profit society registered under the Societies Registration Act, 1860. It has a large membership of individuals and institutions. This professional body is working in the area of training and development of Human Resource of government, public and private sector organization, enterprises, educational institutions and other professional bodies.

ISTD Islampur Chapter undertakes various activities such as International Conferences, workshops, guest lecturers etc by industry experts and industrial visits for students etc.

In this academic year following activities was conducted
by ISTD Islampur Chapter -

1. Organized Faculty Development Program on Effective Capstone Project Implementation to Enhance Students ' Exposure on 25 th November 2024.
2. Organized One-Day Workshop on “Entrepreneur as a Career Path” on 22nd November 2024
3. Organized Webinar on ' Women Empowerment in the Rural Sector on 09 th August 2024

Anti-Ragging Committee

Anti-ragging committee headed by Honorable Director is taking care to make RIT campus ragging free.

Anti- ragging committee does following things for students:

Arrange lectures to create awareness about anti-ragging rules and regulations

Addresses complaints received through complaint register or any other way

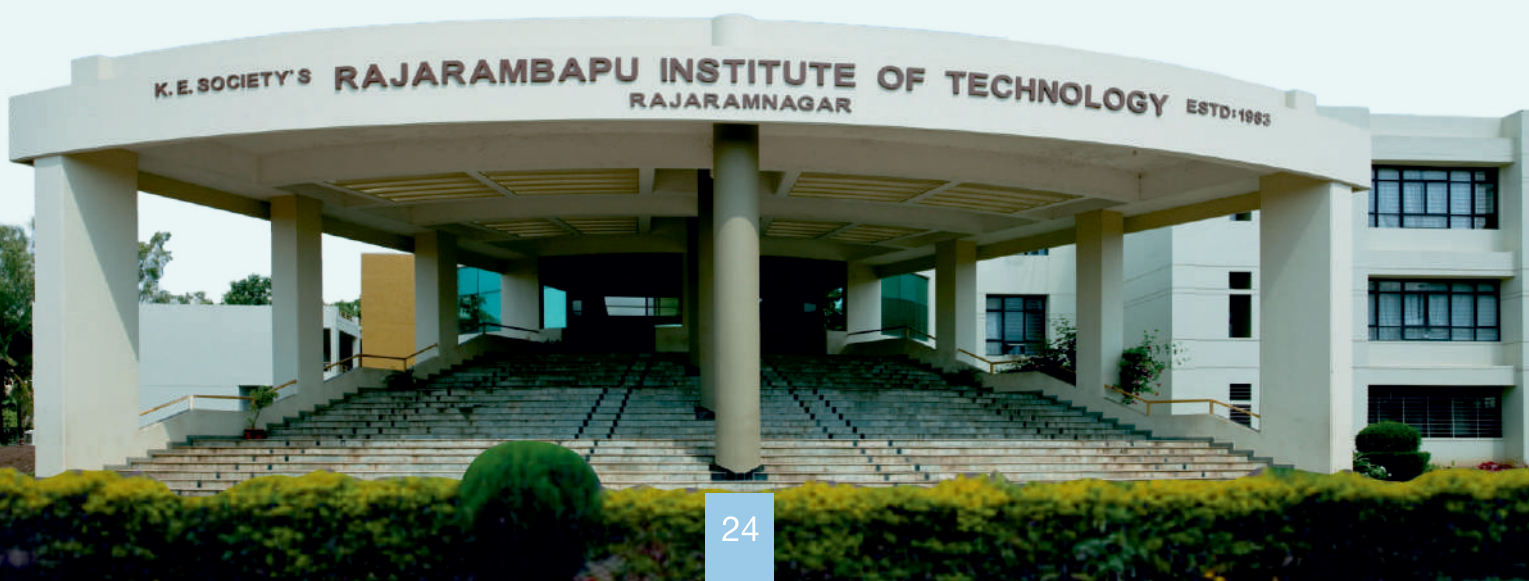

At the institution level anti-ragging squad has been formed. The squad frequently visits places like hostels, canteen, library play- ground etc

Internal Complaint Committee

The Internal Complaint Committee (ICC) is the committee formed as per the guidelines of Vishakha Judgment of Supreme court which is refined as a Sexual harassment of women at workplace (prevention, prohibition and redressal) act 2013 by government of Maharashtra. The aim of ICC is to build self-esteem and dignity among girl students and ladies faculty member. ICC ensure safe working and learning environment for lady faculties and girl students by counselling, helping in legal aid in case of atrocities against women. In ICC not only secure environment but also personality development and health related activities are encouraged. ICC members are regularly meeting with student members and with higher authority in order to tackle the issues related to girls safety and develop them to face challenges in outside world.

ICC Cell Organizes

- ▲ Expert Lectures
- ▲ Seminars on Gender Sensitization
- ▲ Workshop on Legal Aspects Concerned with Women
- ▲ "Shardanyas" cultural event exclusively for girl students.

Best Practices Activity

- Best Practices activity gives the faculty members an opportunity to come together, work collaboratively towards a common goal and understand systematic methodology for problem solving. It gives them an opportunity to be recognized at institute, state, national and international levels and gives them chance to experience joy of learning.
- The concept of the Quality Circle is based on "respect for the human individual" as against the traditional assumption based on suspicion and mistrust between management and its employees. Quality Circles aims at building people, developing them, arousing genuine interest and dedication to their work to improve quality, productivity, cost reduction etc.
- Quality circle is a volunteer group composed of faculty members, who are trained to identify, analyze and solve work related problems and present their solutions to the management in order to improve the performance of organization. Rajarambapu Institute of Technology (R.I.T.) is successfully implementing this activity from last fifteen years

Outcome based education (OBE) is an educational theory and it is being used worldwide to improve the teaching-learning process. OBE system creates the foundation for clarifying the goals or outcomes of each part of an education system and at the end of the educational experience, it is expected that each student should have achieved the predefined goal. To achieve this outcome the role of teacher is important. There is no specified format of teaching or assessment in OBE. The role of the faculty adapts into instructor, trainer, facilitator, and/or mentor based on the outcomes targeted.

IPL (Innovative Practice League) : Use of active learning methods improves classroom delivery and ensures student's participation in the classroom activities. IPL (Innovative Practice League) started in RIT with aim to promote active learning method culture.

Counseling Cell

The Counseling Cell provides emotional, academic and financial assistance to ensure welfare of the students. We are not just an institute but RIT family. Cell consists of a team of dedicated teachers and professional counselors. This cell focuses facilitating the number of students completing the course in three years with good academic and overall track record.

The Cell Provides:

- **Personal Counselling:** To motivate the student towards good academic performance. It also helps those students who face examination stress or fear, depression due to familial, academic or any other problems. RIT Diploma wing conducts counselling sessions and workshops to address these problems and to motivate and help such students in their academic and personality development. The institute has services of Dr. Mrs. Jigna Shah & Ms. Shailja Patil as Personal Counselors.
- Merit Scholarship.
- Seminar and Workshop.
- Group Counselling
- To help the students towards academic performance and motivate them to participate in various activities organized by the institute.

Central Computing Facility

The institute has a well-established Central Computing Facility (CCF), specially designed to support students and faculty with advanced IT infrastructure. The facility offers a wide range of computing services, including dedicated internet labs equipped with over 115 high-configuration computers, six servers, licensed software, and allied equipment. The total investment in this facility exceeds 1 crore. The center is responsible for the development and maintenance of the institute's website, alumni website, and other key portals. It also oversees internet services, hardware and software maintenance, and campus-wide network infrastructure. The campus is equipped with 163 Wi-Fi access points, all managed through a centralized Wi-Fi controller, ensuring seamless connectivity across all departments and hostels.

INTERNET BANDWIDTH

High-speed internet connection with a total bandwidth of 2000 Mbps, provided through:

- BSNL-1000 Mbps • Gazon Communications-1000 Mbps

CCTV

For enhanced safety and security, the entire campus including hostels is under surveillance with more than 430 CCTV cameras installed at strategic locations. This system ensures round-the-clock monitoring and supports a safe learning environment.

ERP

The Central Computing Facility has developed in-house ERP solutions to digitize and streamline various administrative and academic processes, including:

ERP

- Admissions
- Library Management
- Payroll and Accounting
- Leave Management
- Examination and Result Analysis
- Central Store Management
- Student Attendance System
- Video Library
- Student Feedback System
- Attendance and Result Notifications
- SMS Alerts to Parents
- Online Fee Payment
- Placement Information System

Video Conference Hall

The institute boasts a state-of-the-art Video Conferencing Hall, designed for multimedia and remote interactions. The air-conditioned hall is equipped with:

- LCD Screens and Projectors
- High-Resolution Web Cameras
- Interactive White Boards
- Advanced Multimedia Players
- Touch Panel Controls

It is widely used for guest lectures, webinars, and live sessions with experts from premier institutes like IITs and leading industries.

The IT Central Library is a unique knowledge center, which offers essential and specialized information resources and personalized information services to its faculty and students. The Libraries main objective is developing user based resources providing human and technologically moderated access to knowledge and facilitating users to identify, evaluate and access information.

Central Library

Ground Floor:

Intellectual property rights office, Books Stack, Newspaper Sections, Acquisition Section.

First Floor:

Circulation Counter, Waiting Room, Index search, MBA Stacking, Cyber Library, Admin wing: Librarian office, Journal Section, Reprographic Section.

Second Floor:

Reference Section, Digital Library, Cubicles for M. Tech and PhD Students, Ultra modern reading halls, plug in facility for each table for using their laptop, Tab etc.

Third Floor:

Two ultra modern reading halls, study / discussion / Meeting Conference rooms.

Fourth Floor:

The Library Cafeteria. hosts an impressive collection of academic resources in the form of books, print journals and e-journals, e-books, Databases CD's etc.

RIT's four storied Air Condition and Wi-Fi enabled Building.

Collection

RIT central library has a good collection of 1,45,107 + volumes, 37,773 + titles as well as 38,572 e-books, of all engineering disciplines and management department, includes more than 33,301+ reference books, 416 Standards. It includes extracurricular and competitive examination books such as GATE, TOFEL, and MPSC etc. Its total investment of Rs. 5.84 crores.

The Central Library invested 6.57 lakhs for subscribing more than 167 print journals of engineering and management.

It is also subscribed IEEE-ASPP, Science direct Engineering and Management, Delnet, E-Journals databases. It's subscription cost is more than 20.73 lakhs. Crossref Turnitin Software, Grammarly Pro Trusted AI Software, Typeset Platform is also subscribed by the library. Its subscription cost is more than 7.16 lakhs.

Library Activity

RIT's Library conducts following activities

- ▶ Librarian Day
- ▶ Vachan Prerana Din
- ▶ Library Orientation Programme
- ▶ Blind Date with a Book.
- ▶ Reading Club
- ▶ World Book Day
- ▶ Various Training Programs
- ▶ Book Exhibitions

Digital Library

Library Automation

The Library is fully automated using KOHA (24.05.04) integrated library system (ILS). Developed by Katipo Communications Ltd New Zealand. Koha is a powerful open-source integrated library system (ILS) that helps RIT Central Library manage collections efficiently. It has a wide range of features, including cataloguing, circulation, acquisitions, and serials management, all while adhering to international standards like MARC21. One of Koha's key strengths is its user-friendly interface and WebOpac for book search facility. The bibliographic information about the collection is made available through Web-Opac.

Facilities

- ✓ WEB-OPAC search facility.
- ✓ Open access to all students.
- ✓ Reprographic, printing, scanning facility in concessional rate.
- ✓ Book bank facility for reserved category students.
- ✓ Book Bank facility for all FE / SE Students.
- ✓ Institutional membership of ARAI, Pune, National Digital Library, and DELNET (Developing Library Network.)
- ✓ English and Marathi Newspapers.

Xerox Facility

Students and staff can avail reprographic facility in the Administrative Office and in the Library.

RIT library has a digital library having over 50 computers to access subscribed e-resources and the internet. NPTEL video lectures facility is available. Various E-books and CD's are available also. GATE practice software as well as TOFEL test CD's are also available. IP based access to e-resources which can be accessible in campus 24 x 7 hours. space Digital Library software is used for repository.

Amenities at RIT

One of the major concern of parents about their wards is facilities of stay and food. RIT promises parental care for students residing in the hostels. There are four hostel buildings accommodating 650 boys whereas four girl hostels accommodating 436 girl students in college premises. RIT has separate hostel building for the new entrants. Girl's hostel offers some special facilities like cooking gas and electric geysers. Beautiful Lush green campus of hostel makes every morning wishful and evening memorable.

The projects like Biogas, Vermicompost (Gandul Khat), Waste water Treatment plant, Rain Water Harvesting and solar power plant have been undertaken by students in the hostel.

- Inbuilt aqua guard coolers have been installed for drinking water
- Hot water through solar system is provided at every floor in all buildings
- Uninterrupted power supply is provided through generators
- Internet facility is available at all hostel buildings

Cafeteria and Dining Halls

Two tea / coffee vending machines are installed in campus and Dabeli stall in addition to Cafeteria provides the preliminary hygienic and healthy refreshments. Seven spacious dining halls in hostel ensures quality food. Here RIT offers meal and snacks at subsidized rates

Medical Facility

Health care is provided 24x7 to all the students in campus. Dispensary in the campus addresses the preliminary medical needs of the students. Health care center has ambulance services for any medical emergency in the campus.

Consumers Co-op Stores

The RIT Students Consumer Co-operative Stores caters the needs right from stationary and cutlery items to cosmetics, dress material for uniform and college bags. Educational aids like calculators and drafters are made available through an educational kit and loose as well. The fresher's especially feel relieved as they receive kits of bedding and educational aids.

Bank and ATM

All banking needs of the student and staff member are taken care of Rajarambapu Cooperative Bank Ltd. Peth, Branch Rajaramnagar, situated at campus. The bank has installed ATM with RuPay facility. The ATM is located in the new Library.

R.I.T. Students Hostel

Infrastructure:

There are nine buildings in the hostel campus. Those are named Aaryabhata, Bhattacharya, Chanakya, Dronacharya & Indra Boys Hostels & Eesha, Fairy, Gangotri & Haripriya Girls hostels. The hostel houses about 909 boys and 489 girls. Eight spacious dining halls are available in hostel campus to ensure quality food for the students.

Amenities:

The students are provided with basic amenities like iron cot, table, chair, cupboard and fan in their rooms. The rooms are spacious, airy and well illuminated. The 24 hours water supply is provided to all hostels and hot water is provided in the morning.

Laundry Unit:

RIT Hostel is equipped with a well-furnished laundry unit that provides facilities for cleaning, drying, and ironing clothes and ensured convenient collection and distribution points in the hostel premises.

Major Facilities available at hostel.

- Induction/Gas cooking facilities for 24X7 Hrs.
- Pure and clean water
- Solar Water Heating System
- Mess, canteen, cafeteria, and snack centers with nutritious food items
- Guest House with well-equipped conference hall
- Medical & ambulance facilities with separate dispensaries in boy's and girl's hostel with
- CCTV surveillance facility for all Hostel Campus.
- Electrical Power House (Generator Set) 24X7 Hrs. power supply

Indra

Cultural Department

The primary objective of the cultural department is to foster the overall development of students by enhancing their personalities. It focuses on instilling and upholding social and national values while encouraging the cultivation of diverse skills and artistic talents. This cultural department offers a platform for students to showcase their multifaceted potential, helping them grow into well-rounded individuals.

Activities of the Cultural Department

- *Celebration of **Shree Ganesh Festival**.*
- *Celebrate Independence Day and Republic Day by organizing various activities like street plays, exhibitions, and competitions.*
- *Organize '**Virangula**'- Annual Cultural Festival in the institute.*
- *Organize Annual Prize Distribution ceremony, in which invites successful personalities as a Chief Guest of the program.*
- *Organize "**Nautanki**" and "**Cultural Evening**" an annual cultural program for faculties, students and parents that includes acts and performances by students.*
- *Participation of students in different One Act Play, Dance, Singing, Arts, etc. competitions at State, National and International levels.*
- *Organize workshops to instill various art in students related to Drama, Music, Dance, Painting, Photography, Sketching etc.*
- *Run **Drama Club, Music Club, Dance Club, Abstract Arts Club etc.**, to nurture the hobbies among the students and provide guidance from expert trainers.*
- *Published "**Vishwakarma**," the annual magazine of the institute, every year. Also participated in the Annual Magazine competition organised every year by Shivaji University, Kolhapur.*

Sports & Gymnasium

SPORTS:

Next to the hostel building is the largest and 20,000 sq. ft. modern gymnasium in western Maharashtra, which is available for all boys and girls for 4 hours in the morning and 4 hours in the evening with separate playgrounds for cricket, volleyball, football and basketball. A 400-meter running track with jumping and throwing facilities is also available. A separate table tennis hall is available on campus.

GYMNASIUM:

RIT is keen to give enough time and facilities for sports and gymnasiums. R.I.T. College's Sports Complex has hosted many national and international players till date. Arogya Sadhana Temple' equipped

Cardio and strength machines. Facilities. For indoor and outdoor sports such as table-tennis, Badminton, volleyball, basketball court the grounds of cricket, kho-kho and kabaddi are available. RIT shares athletics tracks and indoor multipurpose hall with your neighbourhood

Transportation

RIT provides transport facility to students in 12 exclusive buses. It connects Karad, Sangli, Miraj, Kolhapur and Palus to RIT. Students, faculty and staff staying in these cities and in the vicinity of it are availing this facility. The transport facility makes travelling from these cities comfortable, time saving and safe.

Distinguished Visitors

The Institute believes in infusing fresh ideas from the industry on a dynamic basis. The Campus is visited by eminent people from the fields of Industry, Business, academics, Research, Armed forces, Journalism, Government Bureaucracy and diplomatic corps round the year.

Mr. Hanmantrao Gaikwad,
Chairman, BVG India

Mr. Sanjeev Pendharkar,
Managing Director, Vicco Laboratories

Mr. Chandrashekhar Tilak,
Executive Vice President, NSDL

Mr. Shankar Jadhav,
Strategy Head, Bombay Stock Exchange

Mr. Kishor Rathi,
Founder & CEO, Advanced Enzyme Ltd

National and International Delegates Visited MBA Department

Visit of Students of Department of Management Studies, RIT to University of Nottingham.

National and International Visits of Faculty and Students

Visit to NSE Mumbai

Visit to DANA Group

Students Visit to RBI Monetary Museum, Mumbai

Students Visit to BSE, Mumbai to gear up the knowledge of Stock Market.

Visit to Jio World Drive, Mumbai

Visit to Sahyadri Farms

Faculty Achievements

Meeting with Mr. TG Sitaraman, Chairman, AICTE at the NAFSA Conference 2025!

Received ISTD Award

Meticulous Planner award to Dr. Seema Desai

Publishing of book by Dr. Praveen Kulkarni

Vision

Vision a National Level intercollegiate is our Flagship event arranged by the Students with various subevents like Shark Tank, Doodle army, Best manager, Brandvertisement, Treasure Hunt, Painting Photography & Box Cricket.
