The day of bonding, where the gathering, the celebration and the dance etched a unique combination signifying the diversity of Indian culture in the girl students and ladies faculty. After the arrangements of events and after normal day of exhausting lectures, as dusk set-in, faculty and girl students of all branches and all years assembled in the Haripriya hostel ground teeming with anticipation and excitement, draped in breath-taking traditional attire.

From 5 pm to 7 pm, the musical blasted the first tunes for the evening, commanding the students to forget everything about their monotonous lives and get lost in the world of festivity. The lights were dimmed to ensure a thrilling atmosphere where everyone danced to the rhythmic Dandiya beats! The fun and frolic event of Dandiya evening commenced with the beats of a garba song dedicated to Goddess Durga.

All the students, teaching and non-teaching faculty present there joined in the celebration, tapping to the spectacular music. A strong bond was visualized between teachers and students. It was huge family tapping their toes with the rejoicing music.
