

# **Alumni Cell**

## **Introduction to Alumni Cell**

The Alumni Cell of Rajarambapu Institute of Technology has been formed to establish the bond between Alumni, Faculty and Institute. The Alumni cell composed of Alumni Association, Departmental Alumni coordinators and RIT- Alumni Advisory Hub (RAAH). Several activities are being conducted to give alumni an opportunity to renew bonds with past classmates and cherish their relationship with faculties and staff members. These activities includes Alumni meet of ‘Silver Jubilee Batch’, Alumni meet at department level, expert lectures, workshops, student mentorship etc. The alumni association creates and keeps alumni interest in their Education guild and develops interest to contribute to Alumni development. Alumni Meeting, a networking event conceived to exchange experiences and to share ideas with current students, faculties and staff.

## **Details of Alumni Association**

Alumni Association is registered under society registration act having reg. no. Maharashtra/55/11/Sangli. Recently, under this association “Alumni Gratitude Fund” was started by demand of alumni; the fund raised can be utilized for up-liftment of the institute and helping to needy students. RIT publishes “RIT Communique”, an Alumni Newsletter, in which information of alumni profile, achievements of alumni, visits of alumni to RIT, RIT events and activities, RIT achievements, industrial visits and expert lectures by alumni etc. gets published. Alumni cell organizes alumni meet (get-together) regularly to remain connected with them.

## **Notable Activities conducted under Alumni Cell**

### **Electronics and Telecommunication Engineering Department**

Mr. Amit Deshmukh (UG-2009 Batch), Senior Design Engineer, Siemens Bangalore, shared his success story with TY and Final year B. Tech students on 17th November 2021. He emphasized on expected ‘Engineering attributes’ in corporate world. Students benefited with the session as they acquainted with ‘role of an engineer in Industry.’
