

RIT ALUMNI CELL REPORT 2022-2023

ALUMNI CELL

The Alumni Cell of Rajarambapu Institute of Technology has been formed to establish the bond between Alumni, Faculty and Institute. The Alumni cell composed of Alumni Association, Departmental Alumni coordinators and RIT- Alumni Advisory Hub (RAAH). Several activities are being conducted to give alumni an opportunity to renew bonds with past classmates and cherish their relationship with faculties and staff members.

1. RIT ALUMNI ASSOCIATION

The association is registered under Society Registration act 1950 having registration no. Maharashtra /55/11/Sangli or F-15320. Up till 25000 alumni has been registered under this association.

- To keep a roster of all Alumni of RIT with their updated and current information.
- To assist Alumni who have recently completed their courses of study at the RIT to keep them engaged in productive pursuits useful to the society and to foster entrepreneurship development.
- To provide a forum for the Alumni for exchange of ideas on academic, cultural and social issues by organizing and coordinating reunion activities of the Alumni.
- To extend the help to the students of RIT for placement and industrial training.
- To act as a bridge between college and the industries for interaction on new developments in different disciplines of engineering.
- To assist the college to promote R & D activities and support in overall development of students.
- To assist and support the efforts of RIT in obtaining funds for development.

NOTABLE CONTRIBUTION OF ALUMNI

- Mr. Shankar Iyer C, Mahindra & Mahindra, Nashik (1986-87 Alumni) has donated Mahindra XUV500 Engine Cut-section model to the laboratory.

- ARAI, Pune has donated Diesel Engine TCL Model, 6BTAA, Escort JCB engine and MPFI Engine Model to the laboratory.

- Er. Sanjay Patil, Owner of Datta Construction, Tambave&Er. Sunil R. Patil Government Register Contractor, Islampur have provided financial support in establishing industry sponsored plumbing laboratory.

- Er. Anupama Milind Awsarmol, Director of Aditya Construction, Mumbai has supported in establishing Prestress Concrete laboratory by donating set of prestressing equipment costing Rs 4.48 lakhs through her company.

Activities undertaken by RIT Alumni Association

- Provides financial support to needy students of RIT.
- Organizes Alumni-Meet every year.
- Publishes “RIT-Communique” (An Alumni Newsletter) Quarterly.

- Supports in providing field trainings, Internships and Industry sponsored projects to students.
- Contributes in revamping curriculum and enriching syllabus content.
- Helps college placement activities through Alumni referral.
- Contributes student development through expert lectures, teaching syllabus content and mentoring.
- Supports by signing MoUs with Industries for student's projects, sponsored projects, R&D and consultancy work.

ALUMNI GRATITUDE FUND AND ITS UTILIZATION:

Sr. No.	Alumni Gratitude Fund	Funds Utilization
1	Rs. 1,000/- to Rs. 4,000/-	For developing green campus, Financial aid to economically weak students and support to upcoming incubates/entrepreneurs in the RIT campus.
2	Rs. 5,000/- to 10,000/-	Sponsoring Medals, Cash prizes in Graduation Ceremony, Sponsorship to Student Events like SAE BAJA, SAE Supra, Go-Kart, SAE Efficyle.
3	Rs. 11,000/- to 24,000/-	Procuring Advanced Lab equipments, one year fee of economically weak students. Scheme for adapting student for completion of their Engineering Education (College fees, Hostel fees)
4	Rs. 25,000/- to 1,00,000/-	Updating laboratory in the name of alumni or in the memory of his family member
5	Rs. 3 Lakhs to 5 Lakh	Developing laboratory in Niche areas in the name of alumni or in the memory of his family member with state of art equipments
6	Upto Rs. 10 Lakhs	Establishment of "Centre of Excellence" at RIT in the name of alumni or in the memory of his/ her family member

2. RIT Alumni Advisory Hub (RAAH)

About RAAH

RIT Alumni Advisory Hub (RAAH) is an independent organization of alumni of Rajarambapu Institute of Technology (RIT) established in the year 2020 to create an active network among alumni, students and the institute. RAAH activities support RIT's strategic goals, and to strengthen the ties between alumni, students, institute and the community.

Vision

To build a globally active alumni network to run sustainable & high impact programs in a collaborative environment between the Alumni, Students & RIT institute.

Mission

Alumni to Institution

- To help the institute in curriculum formulation.
- To organize and / or give guest lectures in RIT from industry experts.
- To seek for best practices from global universities and to help implement them in RIT.

Alumni to Students

- To mentor RIT students from first year in technologies and soft-skills.
- To provide innovative projects, internships, work-study opportunities to RIT students.
- To guide students for job readiness and higher studies including overseas studies.
- To provide job and business opportunities to RIT students.

Alumni to Alumni

- To provide business opportunities to RIT alumni.
- To support entrepreneurs from RIT alumni.
- To give business support through alumni expertise areas.

Structure of RAAH

RIT ALUMNI ADVISORY HUBS FORUM is Public Ltd. Company registered under section 8. (The Corporate Identity Number of the company is **U85100PN2021NPL207768**)

Board of Directors:

Mr. Manzoor Mirza
1995 batch Mech. RIT
Chairman

Mr. Abasaheb Kale
1996 batch Mech. RIT
Director

Mr. Ramesh Jadhav
1996 batch Mech. RIT
Director

Highlights

111 Weekly Progress Meetings

- On Saturday
- 9:30 PM to 10:30 PM IST

30 Webinars

- To get introduced with new skills, broaden the skill sets and to develop connections with industry leaders & veterans.

213+ Preparatory and Review Meetings

- To ensure flawless and productive execution of all the initiatives
- Every Wednesday - 9:30 PM to 10:30 PM IST and whenever required
- Every Saturday – 10:30 PM

RIT ALUMNI CELL REPORT 2022-2023

Online Alumni Interactions **Department of Automobile Engineering**

- **Mr. Shreyash Patil** (UG 2013 Batch) visited the department to collect his mark sheets on 23rd May, 2023. He is applied for higher studies in UK.
- **Mr. Ajit Balwan** (UG1994 Batch), Assistant Professor, DKTE Ic- chalkaranji visited the department on 21st June 2023. He visited the department to meet Prof. Dr. D. G. Thombare regarding his Ph.D. work
- Our alumnus, Mr. Vishwas Patil (UG1994). visited the department on 23rd February, 2023. He conducted external oral of I. C. Engine Lab. of T. Y. B. Tech. Mechanical Engineering Automobile students.

- Our alumnus, Mr. Pradeep Gawade (UG2005) visited the department for his P.hd work guidance & Mr. DharendraPatil (UG2015) visited the department to collect his mark sheets on 23rd January, 2023.

Alumni Interactions

Department of Computer Science and Information Technology

- An industry expert session on “Advances in Mobile Application Development” Our alumni **Mr. Ramkrishna Vhatkar** (2019 Pass out), Senior Software Engineer (Decimal Soft.), Pune, conducted an industry expert session on “Advances in Mobile Application Development” on Saturday, 10th June, 2023 for Third Year B. Tech. stu- dents.

The following content covered during the visit:

- Establishing the mobile app’s goals and objectives
- Mobile application design
- Mobile application development
- Mobile application testing
- Mobile app release and ongoing support

Alumni interaction for Project Assistance

Mr. Hruturaj Nikam (Pass out 2011), Technical Officer, Centre for Development of Advanced Computing (CDAC Pune), **Mr. Vijay Suryawanshi** (2007 pass out), Senior ERP Business Analyst, WIPRO Pune, **Mr. Parvej Inamdar** (2012 pass out), Team Leader, FIS Global India, Pune, **Mr. Suhit Kalubarme** (2014 pass out), Sr. Software Developer, Mastercard, Pune visited RIT on 14th June, 2023 for project assistance of B.

Tech. students.

The following content covered during the visit:

1. Improving technical skills
2. Soft skills and presentation skills
3. Interview skills

An expert session on “Pursuing Higher Education in Abroad”

Our alumni **Mr. Akash Mahajan (2022 passout)**, Research Assistant, at IIM Kolkata and selected for MS at University of Michigan-Dearborn in USA. He conducted an expert session on **“Pursuing Higher Education in Abroad”** on **Friday, 22nd April, 2023** for Third Year B. Tech. students.

He highlighted following points during the talk:

- Why higher education is important?
- Typical benefits of higher education
- An overview of path to MS degree
- Exams that you *must* attend
- Timeline for exam preparation
- How to select a university for your target academic program?
- How university selects a candidate

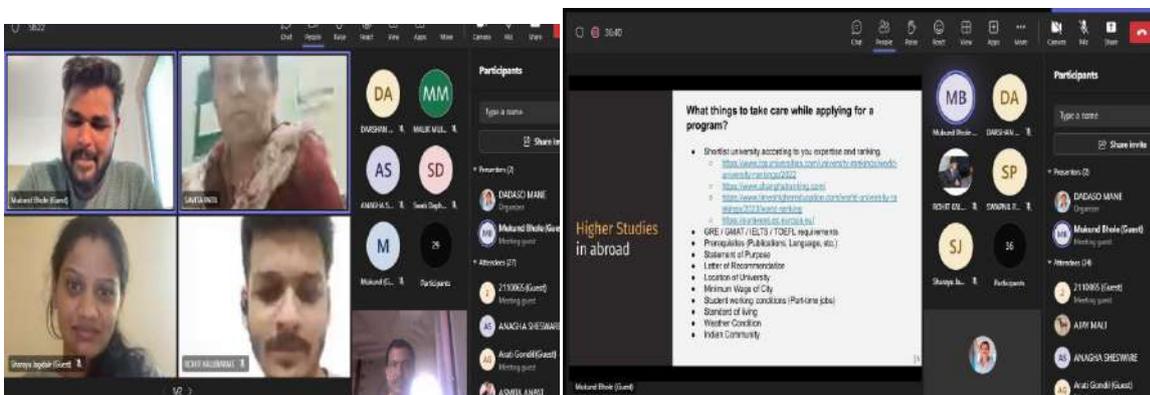

An expert session on “Research guidance and Higher Studies”

Mr. Mukund Bhole (2019 passout), Cyber Security Advisor, Researcher, Practitioner with TUV Austria and Ph. D. student at the Technica University of Vienna. He conducted an expert session on “**Research guidance and Higher Studies**” on **Saturday, 1st April, 2023** for Second Year, Third Year and B. Tech. students.

He highlighted following points during the talk:

- Counting the importance of Engineering Life
- What things to take care while applying for a program?
- What it takes to be a Researcher?
- Opportunities in Research using advanced technology
- Preparation for Higher Studies in Abroad

On behalf of IT department, we express our gratitude to Mr. Mukund Bhole for guiding our students and providing them insights on Research and Higher Studies.

An industry expert session on “Cloud Computing”

Our alumni **Ms. Bharati Ugale(2010 pass out)**, Solution Manager and Salesforce Developer, Wartsila pvt. Ltd., New Mumbai, India conducted an industry expert session on “**Demo on Salesforce Cloud Platform**” Cloud Computing on **Saturday, 26th November, 2022** for Final Year B. Tech. students.

She covered following points during her talk:

- What is Sales force?
- What is Cloud Computing?
- What is CRM?
- History of Sales force
- Major types of Sales force cloud
- Sales force editions
- Salesforce architecture
- Developer org and trailhead
- Salesforce terminology
- Hands-on
- Development framework

On behalf of CS and IT department, we express our gratitude to Ms. Bharati Ugale for guiding our students and providing them technical insights on Cloud Computing.

An industry expert session on “Data Structures and Algorithms”

Mr. Ramakrishna Jadhav (2011 pass out), Sr. Software Consultant Capita India pvt., Ltd., Pune India conducted an industry expert session on “**Data Structures and Algorithms**” on **Saturday 17th December, 2022** for SY B. Tech. CSIT students.

He covered following points during his talk:

- Industrial Overvie
- Organization
- Product and Processes

- Technologies
- Culture
- Applications of various data structures

Alumni Interactions

Department of Electrical Engineering

Mr. Dnayesh Deshpande, Product Delivery Manager at MasterCard, delivered Expert Session on “Opportunities in IT Sector for Electrical Engineer” for S.Y. B. Tech. Electrical Students on 16th June 2023

Mr. Harshvardan Patil, Design Engineer, UL Group, Pune was worked as an Examiner for Industry Internship Project Exam June 2023.

Mr. Shreyash Patil, Miss Prachi Mahind, Miss Snehal Patil, Miss Pratiksha Patil, Miss Sayali Kadam, Miss Prachi Patil and Mr. Bharat Patil of different batches are present during NBA- Alumnimeeting on 21th Jan 2023

Mr. Swarup Patil, Industry Inspector and Excise sub inspector and Mr. Chaitanya Kurade Sales tax Inspector (2019 Batch) delivered expert session on “How to Prepare Competitive Exams” for SY Students on 16th March 2023

Alumni Interactions

Department of Electronics and Telecommunications Engineering

ALUMNIMEET: PUNE

Day & Date- Saturday, 25th February

2023 Time 7.00 PM to 10.00 PM

Venue- Institute of Engineers Hall Shivajinagar, Pune

On Saturday, 25th February 2023 alumni meet of Electronics and Telecommunication Engineering students was conducted. As a response, alumni from department were invited to grace the function among whom total 42 alumni marked their presence to the meet. Dr.M. S. .Kumbhar welcome the august gathering . He addressed the agenda of the

gathering by giving presentation of department. Dr. M. S. Patil, Head of Department E&TC, RIT, continued session by summarizing the overall purpose of this meet and expecting support for the initiatives like Event Judging, Gratitude Funding, Placement, Internships, Guest lecture, sponsored lab. Alumni have shared their career journey and assured to support in placement, cutting edge technologies, opportunities, higher studies to the department and institute.

As it is said, *“Coming together is a Beginning, Keeping together is Progress and Working together is Success.”* With his beautiful quote, Prof. Randhir Patil gave the vote of thanks and concluded the alumni meet with the assurance of strong bonding and connect.

Expert lecture of Mr. Prashant Khade on “Software Testing”

Mr. Prashant khade is proud RIT PG Electronics Alumni of 2018 batch, and working as a software engineer. Expert Lecture was delivered by Mr. Khade, on 24th April 2023 for TY students of Electronics and Telecommunication Engg.

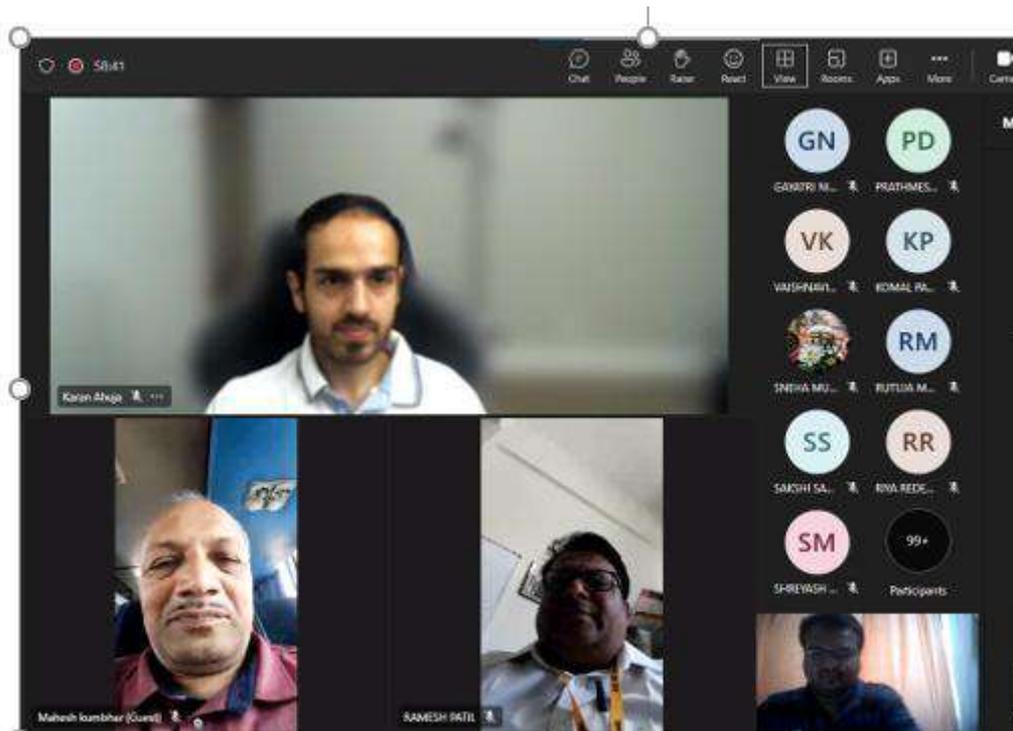

He aware the students about Software testing and its need in the presentation. In the session the following objectives are covered

- To find any defects or bugs that may have been created when the software was being developed
- To increase confidence in the quality of the software
- To prevent defects in the final product
- To ensure the end product meets customer requirements as well as the company specifications
- To provide customers with a quality product and increase their confidence in the company

Expert lecture of Mr. Karan Ahuja on “Overview of GPU and its Applications in Data Centers”

Mr. Karan Ahuja is proud RIT ETC Alumni of 2016 batch, working as Senior Silicon Product Engineer at NVIDIA, California, US. His expertise is in AI-ML domain and in GPU. He has explored himself at a great extent in GPU, its overviews and applications. A GPU performs heavier mathematical calculations than a CPU by employing parallel processing, in which multiple processors take on different parts of the same task. It has its own RAM to store the data it processes. Hence there is a need to understand overview of GPU and its applications in Data Centers. Expert Lecture was delivered by Mr. Karan Ahuja, on 15th May 2023 from 10.10 am onwards and SY and TY students of Electronics and Telecommunication have attended the session

Mr. Rushikesh Nikam (2020 pass out), Senior Analyst, Infosys, Pune, delivered session on “PYTHON” on Tuesday, 10th January 2023 for the Third Year B. Tech. students.

He covered following points during her talk:

- Use of PYTHON in Industry

- PYTHON Application: Case Study
- Industry Requirements from fresher
- Tips to face the interview

On behalf of E&TC department, we express our gratitude to **Mr. Rushikesh Nikam** for guiding to the students and exploring company insights

- Mrs. Durga Deshmukh – UG Alumni 2007, Rudransh System Solution, Belgaum conducted session on Enhancing Soft Skills on Friday, 17th March to TY and SY B. Tech E & TC students. In her speech she covered the following points
 - Group Discussions
 - Interpersonal skills
 - Interview skills
 - Body Language
 - Resume Writing

Students from second year and third year B.Tech Electronics and Telecommunication Engineering have attended the program. Students will definitely get benefits in their upcoming placement drives and career opportunities.

The Department of Electronics and Telecommunication Engineering has organized an expert lecture by Mr. Sourabh Shekhar Kulkarni, Research Scientist in Meta (Facebook) and Alumnus of 2015 batch. He has delivered speech on Generative AI, Chat GPT, Large language models and diffusion-based models on Tuesday, 28th March 2023. Students from second year and third year B.Tech Electronics and Telecommunication Engineering have attended the program.

Alumni Interactions

Department of Mechanical Engineering

Our proud Alumni Mr. Sundeep Nath (1995 Mechanical Batch) from USA with his family visited RIT on 30th June 2023. He was accompanied by Mr. Hemant Potdar (1995 Mechanical Batch) and Mr. Manish Kumar (1995 Civil Batch). Dr. P. V. Kadole, Director RIT felicitated them on behalf of RIT Family.

Our proud Alumnus Mr. Swarup Pawar (Mechanical Diploma 2002 Batch) from Islampur visited RIT on 28th June 2023. He has delivered an expert session on "Opportunities in Railway Field". Dr. P. V. Kadole, Director RIT felicitated them on behalf of RIT Family.

Mr. Ashwin Ashokrao (2001 Batch) from Islampur visited RIT Entrepreneur Jagadamba Industries Koyana Vasahat Karad Conducted hands on session for S. Y. B. Tech. Mechanical Engg. Class on “Jigs and fixture” on Tuesday 20th June 2023. He also donated Rs. 1600/- as gratitude fund

Expert Session- Recent trends in EV Technologies by Mr. Prashant Patil (B.E. Mech 2006 and M.E Design 2008) Industry Expert from Octillion Power Systems, Pune on 30 Dec. 2022

Miss. Sonal Suryawanshi (2020), Visited RIT on 24 March 2023. She was felicitated for getting selected in (MPSC 2020-21 Examinations, AIR 42, OBC female rank 6th). Shee also delivered session on “Preparation for MPSC”. She shared her success story and cleared doubts of students aspiring for MPSC.

Mr. and Mrs. Birendra Kumar Singh (1992) (COO-MSP Steel and Power, Raigad Chhattisgarh) visited RIT. He visited all the places in RIT, interacted with students in class specially his interview on Radio sugar was really great. It will be helpful for students parents and alumni.

Do listen Radio Sugar on fm/ Android app/ Radio Garden

Mr. Shaekhar Kulkarni (2005) Manager Wilo Pune, Alumnus, visited RIT and delivered Presentation on “Challenges and Trends in Pump Castings During Sales order Execution” to S Y Mechtronics Students on 07/06/2022.

Mr. Lakshman Kavitke (2017) Deputy Manager Tata Toyo Pune, Alumnus, visited RIT and delivered Expert lecture on “How to prepare for Industries” to S Y Mechanical Engg. Students on 07/06/2022.

Mr Vikram Pawar (2007) AGM SKODA, Pune, Alumnus, visited RIT and delivered Presentation on “Opportunities for Mechatronics Graduates in Industries” to S Y Mechtronics Students on 10/06/2022.

Alumni of 1995 batch Manoj Gaikwad , Manoj Apte, Pramod Lad, Anil Kumbhar, Jaydip Todkar, Nandu Jadhav, Ajit Madake and from 1996 batch Ramesh Jadhav, Paresh Advani visited and conducted the oral examinations as external Examiner. They also delivered session and discussed various issues like job opportunities, present scenario and motivated our students on 25/06/2022 and 27/06/2022 .

Mr. Ajinkya Mane (2012), visited RIT on 13/06/2022. He was felicitated for getting selected in (UPSC AIR 424) in the hands of Hon. Dr. S. S. Kulkarni (Director) on behalf of RIT. He also delivered a session on "Preparation for UPSC". He shared his success story and cleared doubts of students aspiring for UPSC.

Merit Award distribution ceremony was organised on 01/06/2022 . Our proud alumni Mr. Yogesh Hasabnis (1995) was Chief Guest and Mr. Sachin Kshirsagar (1995) and Mr Aabasaheb Kale (1996) were Guest of Honour. They addressed august gathering of meritorious students and their proud parents. They also conducted meeting with Hon. Director and HOD's and discussed developments in RIT.

Dr. Mahesh Shinde (M Tech Design 2016) Post Doctoral researcher, Raleigh USA visited On 04/10/2022 and delivered lecture on “Higher Education Opportunities Abroad” for Final Year B Tech Mechanical Engineering students.

Ten proud alumni conducted MOCK interviews for **Thirty Six** Final Year B Tech Mechanical Engineering students on 15-16 September 2022

Sr. No	Name of Student	Name of Alumni Interviewer
1.	Abhishek Kanhaiya Shende	Meghana Kambale (TCS) Batch 2020-21
2.	Abhijeet Nandkumar Jadhav	
3.	Nihal Umarfaruk Mujawar	
4.	Poonam Shekhar Kadam	Mugdha Kulkarni (TCS)Batch 2020-21
