NOTIFICATION

(2021-25 Batch)

Students of S. Y. B. Tech. classes (All Branches) are hereby informed that, **Minor and Honours Certification** scheme has been started in academics of RIT from academic year 2022-23. Looking to Global Scenario, Engineering students should have a knowledge of interdisciplinary courses and/or some advanced subjects of their respective branch in which they are perusing the degree. Hence, Minor or Honours degree will be awarded.

To get Minor or Honours degree certificate, aspiring student must register for additional **SEVEN** courses and acquire additional maximum 20 credits for any **ONE** of the Schemes (either Minor or Honours). Students can apply for either Minor degree or Honours degree.

Students who wish to apply for this scheme can get Minor or Honours degree certificate along with Major degree of their respective branch. So, interested students who wish to apply for Minor or Honours Scheme can collect application form from HOD office of your respective departments and submit it to Mr. Ranjit Patil, student section, administration office on or before 25th Sept. 2022.

Please, refer the guidelines for Minor and Honours scheme as given below.

Dr. S. K. Patil
Dean Academics, RIT

Dr. Mrs. S. S. Kulkarni
Director, RIT

Student Guidelines for Minor/Honours Scheme

1. Student can apply for either Minor scheme or Honours Scheme and not for both at a time.
2. What is Minor Scheme?
 - A. Under this scheme student have to complete extra Seven courses and earn extra 20 credits of a branch other than their native branch.
 - B. Students have to select a branch for Minor degree. E.g. If Mechanical Engineering student selects Civil Engineering under this scheme, he/she will get **Major degree of Mechanical Engineering with Minor degree in Civil Engineering.**
 - C. All the courses will be taught by respective department faculty members via online or offline mode.
 - D. For each course there will be extra 3 hrs scheduled (3 hrs Theory / 1 hr Theory + 2 hrs Practical) per week.
 - E. Structure of various courses offered by all the departments are attached herewith.
 - F. **Evaluation:** ISE, UT1, UT2 and ESE will be conducted to complete evaluation of minor courses.
 - G. The year wise schedule of the Minor courses will be as follows;

Sr. No.	Course Number	Year	Semester
1	Course I	Second Year	3 rd Sem.
2	Course II	Second Year	4 th Sem.
3	Course III	Third Year	5 th Sem.
4	Course IV	Third Year	6 th Sem.
5	Course V	Final Year	7 th Sem.
6	Course VI	Final Year	7 th Sem.
7	Course VII	Final Year	8 th Sem.

3. What is Honours scheme?
 - A. Students from same department are eligible for Honours degree.
 - B. Under this scheme student have to complete extra SEVEN advance certification courses of their native branch offered by various online platforms.
 - C. E.g. If Mechanical Engineering student selects advanced subjects from same branch under this scheme, he/she will get **Major degree along with Honours degree of Mechanical Engineering.**
 - D. All the courses will be listed time to time by respective department from online platforms such as NPTEL/ edX/ Coursera/ Udacity/ Purdue Next/ Khan Academy/ QEEE etc.
 - E. Student can select one/two subject per semester from the list of Honours courses of a branch in which they are pursuing the degree. (see attached structures of respective departments)
 - F. Mentor will be allotted from host departments to guide the students during his/her entire curriculum.

G. Evaluation: Student have to submit certificate of completion of online course. After submission of certificate Viva Oral Exam will be conducted to complete evaluation of Honours courses.

4. Registration process.

- Interested students can get application form from HOD office of your respective department.
- Register under Minor/ Honours scheme by submitting an application form to main office to Mr. Ranjit Patil, Student Section (Refer **Annexure- I** for application form)
- After submission of form students have to pay ₹ 5000/- as a registration fees. (Non-refundable one-time payment for entire scheme)
- After payment confirmation registered students list will be displayed along with Minor/ Honours courses time table on the department notice board.

5. The Minor/Honours scheme starts from 3rd Semester.

6. Tenure: All the registered students must complete Minor/ Honours courses within **Six Semesters** (starting from 2nd Year 1st semester to 4th Year 2nd semester) i.e. 3rd semester to 8th semester of degree program.

7. For registered students if he/she has completed respective courses, Major Degree will be awarded along with Minor/ Honours certification. If any registered student unable to complete given courses for Minor/ Honours within the timeline given then that student will be given Major degree only.

8. Tentative timeline for the Minor/ Honours Scheme

- Last date for submission of application form - 24/09/2022
- Last date for fees payment - 24/09/2022
- Display of list of students and timetable - 26/09/2022
- Start of Course – I - 1/10/2022

9. Further instructions and updates will communicated if required.
